Instructions

- You are only allowed one screen which must be 'locked down' with Digiexam.
- Please put all other screens away.
- Please ensure that any mobile phones are turned off or silent.

- Please make sure you are connected to Eduroam, not to the Cloud
- You must close all other applications before opening Digiexam. Digiexam will force other applications close but this can take time and may slow down accessing your exam.
- If you have any problems during the assessment, let your teachers know.

- Open the Digiexam app following the instructions on the next slide.

Follow the steps below to log back into Digiexam:

DO NOT log in directly through the Digiexam app that appears on your desktop as it **will not** recognise your LSE log-in credentials.

1) Go to the [MyApps](#) page and click on the Digiexam icon. The Digiexam webpage will open.

Save this webpage as a bookmark.

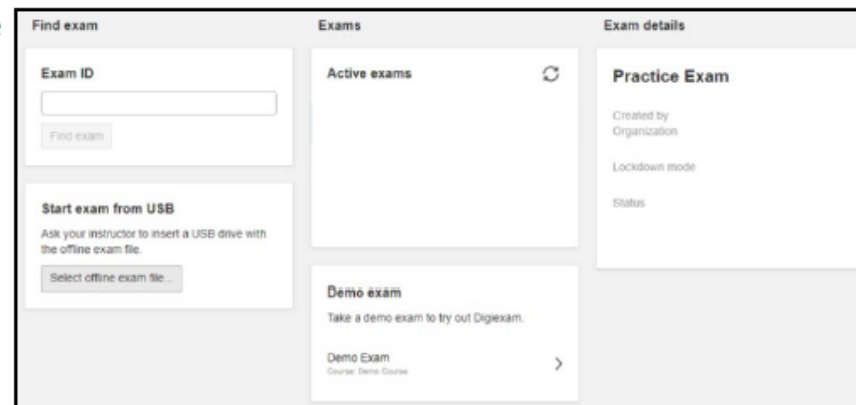

2) Click on **Open Digiexam app** in the top right corner of the webpage.

Open Digiexam app

3) The Digiexam app will open, and you will be logged in automatically.

Start of the exam

- You can now look at the extracts and essay question.
- You have 90 minutes to complete your answer.

End of the assessment

- When you are ready to hand in your exam, press the **hand in exam and exit button** in the top-right corner.
- When you press the **hand in exam and exit button** you will be asked if you want to finish the examination twice. This is a safety precaution made to prevent an accidental hand-in of an exam.
- Click on the **hand in exam button** to proceed with handing in the exam.
