

Scenario

Your university has been awarded £1 million to improve student life.

Your committee must decide how to spend it.

Proposal	Cost
24-hour library	£350,000
Mental health support	£250,000
More study spaces	£200,000
International welcome week	£150,000
AI study assistant	£300,000
Free gym membership for all students	£300,000
Careers mentoring	£200,000
Student societies fund	£150,000
Free public transport pass for Masters students	£450,000
Quiet relaxation rooms	£120,000
More scholarships for disadvantaged students	£500,000
Better campus cafés	£180,000

Instructions

Your group must decide:

- Which projects will receive funding.
- Which projects will not.
- Stay within the budget.
- Be prepared to justify every decision.
