Discussion & Reflection

- Open the Word document called 'Discussion & Reflection' on Moodle
- Discuss & reflect!

Check List & Peer Feedback

- Go through the checklist on Moodle. Are there any changes you need to make?
- Now swap essays with another student and use the document called 'Peer Checking' to give them feedback. A fresh pair of eyes can often spot strengths, weaknesses, and areas for improvement that you may have overlooked.
- Try to give constructive feedback that is specific, helpful, and respectful, focusing on suggestions that could help your partner improve their essay before submission.

- **Commonly confused words:** “Affect or effect?” Use the Word document on Moodle to review some commonly confused words.
- **Phrasal verbs:** Phrasal verbs can be quite tricky. If you’d like some practice, take a look at the Word document on Moodle. Ask your teacher to check your answers!
- **Punctuation:** If you’ve ever wondered how to use commas in English, the PPT slide on Moodle will give you a humorous overview.
