

Listening into Writing

Social Media

THE LONDON SCHOOL
OF ECONOMICS AND
POLITICAL SCIENCE ■

- You are going to hear a TED talk called “It’s time to confront our global addiction”.
- The talk was given by Dr. Justin Romano, a child and adolescent psychiatry fellow at Creighton University.
- It is approximately 15 minutes long.
- Listen to the talk and take notes. You can take notes by hand or electronically.

After listening

- Compare your notes with a partner. Did you use a similar note-taking style? Did you note down the same information? Could you improve your notes? If so, how?
- Use your notes to write a summary 200-400 words. You have 40-minutes for this task. When you finish your summary, upload it on Moodle.

Do not look at the transcript or sample summaries yet!

After listening

- Share your summary with another student
- What are the similarities and differences in terms of:
 - Structure?
 - Content?
 - Language?

After listening

Look at the sample summaries on Moodle.

- What are the strengths and weaknesses of each sample?
- Which sample is closest to your own summary?
- Underline any useful language
